

I. Race on Hungaroring!

Race on a real Formula-1 Track with your You Partners and Colleagues!

Fun Day, the day of experience drive

This full-day course is just about fun and experience. In addition to acquirement of **minimum theoretical knowledge**, the focus is on **the training of race driving, curve speeds**, the enjoyment of speed-up and deceleration. Then the free drive comes: **the whole track should be completed from end to end**. Not only a good lap time is the goal, but learning the **accurate, quick driving in the curves** and the confident handling of the car and of course providing a wonderful experience for the participants as the program title promises.

Optional cars: Lotus Elise, Renault Megane or Seat Leon, Porsche 911

Price of one day package for one person: 2 396 £

Price of one day package for ten persons: 34 063 £

Price contains: flight ticket, transfer, programs, accommodation and meal.

In case of two days program the experience drive is followed by the "Petrol steam rapture" on the Adventure track.

During our most popular program, our guest can try the **world of land rovers and quads**; in addition **they can drive two special groundwork machines**, a mini wheel loader and a big fork-lift.

After arriving at Hungaroring, guests are split into groups to participate in the different programs. In all location **groups collect** or in some case loose **scores** according to their performance. At the end of the day, after the last program the announcement of results is coming on a **FORMULA-1 awards ceremony**.

If you prefer to have a rest, the most appropriate place for relaxation is Ramada Aquaworld and Wellness, Spa Adventure Park.
