

II. Flight, style and feeling

Now your Partners and Employees can fly an airplane!

The whole day is about flying!

Our guests can experience what it feels like actively participating in flying. The instructor gives a **short training** to the attendant, explains the operation of the instruments and their usage, how to make basic maneuvers to try in the air later.

After ten minutes of theory training, the engine of the **Cessna 152 type motor plane starts up**, screw is rotating and the plain has been already running on the taxiway.

Following the take-off, **pilot shall transfer control** and „co-pilot“ can enjoy the absolute freedom of flight. Under the supervision of the pilot passenger can experience **the unforgettable feeling of flying an airplane**. It is absolutely sure that our guest learns it soon and quickly feel the rapture of flying in every part of their body.

Some hours later a new memorable experience is coming with another plane model of total different mechanic. Flying to the infinity on the horizon, gliding **with sail-plane** provides a silent and light treat.

Nothing is more beautiful than **Budapest** at night. **Sightseeing from the air?**

Before noon you can experience the feeling of piloting an air plane, now you can see how professionals do it. Participant can admire the tourist-attractions of Budapest **from a particular view, from the cabin of a helicopter**.

Price of package for one person: 676 £

Price of package for ten persons: 5 982£

Price contains: flight ticket, transfer, programs, accommodation and meal.

In case of two days program, the second day starts with an adrenalin infusion!

During extreme flight, **Pilots make various maneuvers** near to the ground, some meters from the land. This type of flight is **only recommended** to guests **who do not fear from flying** and would like to enrich their memories with an unforgettable and eternal experience.

After the lunch, relaxation has the main role. The stage of the program is the ground again. **Our guests can experience the Kite buggy**. Following a brief training there is the possibility to compete against other participants.
