

IX. Bachelor day and Hen party in Hungar

Adventurous program for your friends and kith in Budapest

Go to the shooting range! Participates can **choose** from different **weapons** and try shooting weapons. **Shoot on a real shooting range** safely with pistol and shot gun.

How can we raise the adrenalin that has been already exaggerated?

In the daytime a short trip comes to the **Challengeland in Csillebérc**, where the bridegroom and his friends can **test their extreme strength** by completing the different challenges far above the ground. Perhaps they should climb from one „floating” trunk to another **8 meters above the ground hanging on a rope**, but it can happen that they should walk three meters equilibrating with a bamboo stud.

Forgetting all the stress on the shooting range and getting over the obstacles of the challenge land, a refreshing lunch is waiting for the participants in Bed&Bear House.

After lunch, as a preparation for the night program a fancy dressed **striptease girl or Chippendale boy** present a short show. Costume is depending only on the fantasy of the bridegroom or bride.

Following the show the preparation for the night is beginning.

The classic star of limousines, Lincoln limousine arrives in the front of the house.

After **nightlife party tour with limousine** the last station is Holdudvar restaurant and disco, where dinner and cocktail are served for the participants. In order to ease the company to travel a lot for the party, we can uncover finally that Holdudvar **is one of the most popular party place in Budapest.**
